BOARD RESOLUTION NO. 026 - 2023

RESOLUTION APPROPRIATING ONE MILLION EIGHT HUNDRED EIGHTY-FOUR THOUSAND FIVE HUNDRED (P 1,884,500.00) AS SUPPLEMENTAL BUDGET FOR THE YEAR 2023

WHEREAS, Corporate Budget Circular No. 24 dated November 4, 2022 was issued by the Department of Budget and Management to prescribe guidelines for the preparation and reiteration of the submission of the Corporate Operating Budget (COB) for Fiscal Year 2023 and thereafter;

WHEREAS, Section 4.0 of the aforementioned circular provides as a general rule that GOCC shall operate within the DBM-approved COB for the fiscal year. However, in exceptional cases, a supplemental COB may be submitted, if warranted by additional corporate receipts, actual need/additional priority expenditures, and supported by a Board approval for the same. The GOCC shall be allowed only one (1) Supplemental COB for a given fiscal year, to be submitted to the DBM for approval not later than September 30 of the fiscal year;

WHEREAS, to measure the actual performance of Carmona Water District against its approved Corporate Budget FY 2023, particularly for the period of January to June 2023, the Acting Corporate Budget Officer presented to this body the status of budget utilization, disbursements, unutilized budget and unpaid utilizations as shown under "Statement of Approved Budget, Utilizations, Disbursements and Balances" herein attached as "Annex A";

WHEREAS, in relation to Carmona Water District and its management's thorough review of the approved Annual Budget FY 2023, there is a need to supplement the said budget to embody changes in the annual estimates of income and appropriations during this year 2023. Any increase in the approved operating budget shall require submission and approval of a supplemental budget to cover the additional expenditures;

WHEREAS, changes in the annual budget may be made within the fiscal year by way of supplemental budgets which shall be enacted in the same manner as the annual budget but not oftener than once a month. In addition, Section 71 of the General Provisions under the National Expenditures Program of the government FY 2023 prescribes, to wit:

"Augmentation is the act of the constitutional officers authorized to use savings in their respective appropriations to cover a deficiency in any existing item of appropriation within their respective offices. A deficiency in an item of appropriation may result from:

- (a) Unforeseen modifications or adjustments in the program, activity or project; or
(b) Re-assessment in the use, prioritization and/or distribution of resources.

The particulars of the expenditures to be funded from savings should be within the scope of, or covered by an existing activity or project. The existence of an activity or project regardless of the availability of allotment class/es is sufficient for the purpose of augmentation."

WHEREAS, after careful review of the available historical data and trends highlighting the results of financial performance and position of Carmona Water District for the period January 2023 to May 2023, CWD has achieved a favorable variance of Five Million Sixty-Five Thousand Five Hundred Seventy-Five and 46/100 (P5,065,575.46) against the projected collection from regular sources for the period January to May 2023, as presented below:

Collection Target (Jan-May 2023)	Actual Collections (Jan-May 2023)	Variance
P 49,422,934.76	P 54,488,510.22	P 5,065,575.46 (fav)

WHEREAS, this body received a budget supplemental request from Administrative Unit, Commercial Services Division and Engineering and Operations Division with a total of One Million Eight Hundred Eighty-Four Thousand Five Hundred (P1,884,500.00), copy of which for further details herein attached as Annex "B";
